JENNIFER REPORTING A RETAIL THEFT..."JULIA" WILL NOT COME BACK INTO HER OFFICE. ALL THAT WAS TAKEN WAS A 99 CENT WATER.

2041//P23 SHE WAS SEVERED WITH A TRESPASS WARNING. SHE WAS RELEASED ON SCENE.

P23- Upon arrival I observed Julia and Jennifer standing near the north entrance to the business. I walked in and Julia began speaking to me. Julia said to me, "I forgot to pay for my water." Julia began to plead with me asking for permission to just pay for the item. Julia then agreed to go into the office with Jennifer and me.

Once in the office, Jennifer began attempting to speak with Julia, who was very uncooperative. Jennifer requested to speak to me out from the loss prevention office away from Julia. Jennifer advised me of the following: Julia has been a suspect in thefts for numerous years. Julia has a history of coming into the location, filling her cart full, sometimes filling 2 or 3 carts full, then walking out of the store, failing to purchase any items. Julia informs the store that she will be back to pay for the cart full of items, and not to put the items back, but she never comes back for the cart full of goods. While Julia is shopping, she selects a few candy bars off the shelf. She eats the candy bars while in the store then places the wrappers in the fitting room. Julia makes no attempt to pay for the candy bars. Jennifer suspects Julia is stealing approximately 40 candy bars, however she can not prove the theft. Jennifer also advised Julia has a history of exchanging the clothes for new ones, scamming Kohl's out of new clothing. Julia also has purchased perfume, used half the bottle, then exchanged the bottle for a new one. Today Jennifer observed Julia stealing a bottle of water from the location, however at this time just wants Julia trespassed from the location and not charged for the theft.

We went back into office. Jennifer began speaking to Julia, asking for her information. Julia advised she did not have an ID on her. Jennifer then requested Julia to fill out Kohl's asset form and Julia refused. I then mirandized Julia. Julia then began asking myself and Officer Kowalczyk for legal advised which I told her numerous times I refused to give to her. Officer Kowalczyk and I attempted to explain to Julia numerous times, of why we were requesting her information. Julia informed us that she wished to contest the trespass warning. Julia advised she wants Kohl's corporate office, to be there so she can have a hearing about the warning. I told her that was not an option at this time. Julia continued to be very uncooperative. Julia then filled out the Kohl's form, but note, she provided the incorrect information. Julia continued to argue with Officer Kowalczyk, Jennifer and I. I then attempted to explain the criminal trespass notice to Julia. Julia refused to sign the form. She was provided a copy of the form. Officer Kowalczyk and I then walked Julia out of the store. Jennifer advised she would be completing a report on
